01 / BIOGRAPHY

TWO FRIENDS FROM MÜLHEIM

Scot & Millfield are Daniel Lyall and Maik Drozdzynski from Mülheim an der Ruhr. School friends inspired by York and Chicane, they founded the project in 1999 and took their first studio steps with the Bass Bumpers.

Their sound sits between Balearic and Progressive: melodic deep house, trance and chill-out – atmospheric, warm, built for the hour the sun goes down. Releases on Armada, Black Hole, Enhanced, Harthouse and The Night Drive, an official “Café del Mar” remix and features on Dream Dance and Armada Chill mark the way.

Since 2024 the duo is managed by Torsten Stenzel and Adrian Zag (Hummingbird); in 2025 they signed with Armada Music Publishing. Their listeners stretch from London to Mexico City and Sydney.
